

Ripe Nursery School Chronicle

13.1.16

Last week...

The 'Big Class' enjoyed getting to know the story of the Gingerbread man. They were able to join in with the repeated refrains and helped to tell the story to their friends. They enjoyed exploring the Story sack which Miss Julie created to go with the story, complete with props and a rhyme. Paper gingerbread men have been made and we still have some cooking to come! The 'Little Class' have started some work on birds and during the week made bird food that the children then took home to put in their gardens.

Next week...

The Big Class are going to move on to the story of 'Goldilocks and the three bears.' Miss Megan is planning some exciting activities which are likely to involve porridge, comparison of sizes and lots of role play! The Little Class will continue their work on birds and will be using feathers in their art and exploration this week. We still go out everyday, whatever the weather! Please make sure your child has a hat and gloves on very chilly days.

Three year old funding

The headcount date is approaching and this week I will be asking parents to sign the forms saying that your child is eligible for the three year old funding for this term. If you haven't already done so, please bring your child's birth certificate or passport so that I can confirm on the form that I have seen it. Many thanks.

What's on

Next week:

Thursday 19th January: Baby Group 1.30-2.30 for 0-2 year olds

Future Dates:

Half term: Monday 13th Feb - Friday 17th Feb
