

Ripe Nursery School Chronicle

Last week...

We have had a 'Christmassy' week! The children helped to decorate the tree and we went on a walk to the village shop to deliver our decorations for the shop window, I'm sure you'll agree they look super! All are named; do pop along and have a look. The children in the Big Class have been working on counting and number recognition. The Little Class have been busy exploring different textures and having a go at pouring and scooping. All of the children have enjoyed free painting, making their own masterpieces which you will be able to enjoy soon!
The Big Class enjoyed their mindfulness sessions with Tamara; we are planning more for the future!

2.12.16

Next week...

The Nativity singing is coming along well, so next week we will be adding some words and actions to our retelling of the Nativity story. Costumes will be provided! We will be working on some secret Christmas crafts as well.

It's definitely hat and scarf weather! If you get a chance, a handy way of keeping track of mittens is to attach them to a string.

Our trees are on display! The Ripe Shop Christmas fair is on Saturday, featuring wreaths for sale made by one of our Mums.
