

Ripe Nursery School Chronicle

20.5.16

Last week...

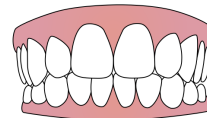

We are very grateful to Kirk, who came in this week to teach the children about being a mechanic. They were inspired by his visit and have been busy making engines, cars, rockets and ships; it has been great to see the children so inspired and focussed on creative and imaginative play, working together in pairs and groups, talking through their ideas and zooming off to other places!

We have been joining both classes up for singing songs and will soon begin to work on some new songs for our June concert. The children in the Little Class have been for walks in the surrounding countryside and particularly enjoyed blowing dandelion clocks and counting the puffs, as well as lots of sand and water play outside.

Our 'road role play' outside has continued to be popular and the children in the Big Class have been talking about road safety, particularly using the zebra crossing!

Next week...

We will have a focus on teeth! Did you know that it is National Smile Month? As part of this, we are going to be learning about how to look after our teeth and will be creating a Dentist role play.

A plea...

Please could you make sure that everything that comes to Nursery School is labelled with your child's name (clothes, snack pots, lunch boxes etc) Any missing items then get returned much more quickly! Please don't forget a complete change of clothes to leave at school in case of any emergencies!

Diary Dates

Last day of this half of term is this Friday

Summer Half Term: Monday 30th May - Friday 3rd June

Thursday 23rd June: School closed as hall in use
