

Ripe Nursery School Chronicle

Last week...

The highlight of our week was the trip to Plumpton on Wednesday. The children had prepared questions in advance and had predicted what they might see. We had a wonderfully sunny day for the trip; the children were so well behaved and listened carefully to Deborah and Michelle who took us round. We were delighted to see pigs and piglets (who were very noisy!) sheep and lambs, and cows and calves. Miss Katherine and Miss Julie almost sprang into action when they spotted a cow calving! We had to give the cow some peace but were pleased to hear by the end of the trip that the calf had arrived. Many thanks to all of our parents who helped, either by coming or by giving lifts. On Thursday morning the children arrived at Nursery School to find some lonely farm animals on a table, with a message that they had no where to live! The children quickly got to work creating a large scale farm together and have started making farm houses and barns to add to it. In the Little Class, the children have worked on developing their scissor, gluing and painting skills when they have made models such as tractors and houses. We also talked about the Queen's 90th birthday!

Next week...

Our junk modelling will continue—if you have any spare boxes please do send them in. We will be continuing with our big farm and will be adding labels and captions. We will be making our own barn for role play and will be looking at farm vehicles.

Don't forget...

- Please book your 'swap' day to make up for the school closure on Thursday 5th May
- If Friday isn't your usual day, please book in with Miss Julie for your child's photo on Friday 6th May. All school leavers to be there at 9.00 for group photo please
