

# Ripe Nursery School Chronicle

## Last week...

The children had a great time exploring pumpkins of all sizes! It was great opportunity for the Big Class to practice using 'real tools' safely; the children used spoons to scoop out the seeds and then used real knives, very carefully, to chop them up. They made delicious pumpkin soup as well! We have started talking about Diwali, and will be continuing this next week. The children have been working on their scissor skills as well and we have been talking about how to use scissors safely. The Little Class have been busy with lots of building, using boxes of a variety of sizes as well as construction toys such as the Magnetico. There has also been a lot of singing and small world play with the 'Happy Street' buildings and figures.

4.11.16

## Next week...

We will be talking more about Diwali in the Big Class, and both classes will be exploring 'Bonfire Night' as a theme. Expect lots of painting and firework sound effects! If you haven't yet had your catch up meeting with your child's key worker, this will also happen next week.

## Christmas Cards

As you know, each of the children designed a Christmas card and we have the proofs to give to you this week. You will find an order form with your proof giving details of how to place an order if you wish to. You can buy cards, labels, wrapping paper prints etc with your child's design on them. We would like all orders back to us by

**Monday 14th November** at the latest please so that we can place your orders and get the cards back to you in good time. Cash or cheque, made payable to 'Ripe Nursery School' please.

## Can you help?

We would like to add to our water play resources with small scoops, like the ones in milk formula tins, and syringes like the ones that come with calpol. If you could save yours for us we would be very grateful!

## What's on

### Next week:

Thursday 10th November: Baby Group 1.30-2.30 for 0-2 year olds

### Future Dates:

Monday 14th November: Deadline for Christmas card orders

Friday 16th December: Nativity and last day of term
